English

Hindi

About Me

I'm Sajal Kumar, a Computer Science and DevOps undergraduate at Bennett University, specializing in Blockchain (2024–2028).

I'm a passionate developer and startup founder, currently building BU_Basket, a safe and student-focused marketplace.

WORK EXPERIENCE

2025–Present

BU_Basket

Founder

- Building a secure marketplace for students to buy, sell, and exchange items safely.
- Leading product development, strategy, and technical implementation.

2024–Present

BU-Comedy Club

Finance Head

- Managed budgeting and finances for student events.
- Supported community-building through engaging student-led initiatives.
